44th South East Asian Age Group Swimming Championships (SEA AGE) 2020
- COVID-19 Situation

Dear SEASF Members,

Due to continued health concerns posed by COVID-19, the 44th South East Asian Age Group Swimming Championships (SEA AGE) will be cancelled and not take place in 2020.

The decision follows consultation with the host (Malaysia Swimming) and has been taken with the health and wellbeing of the swimming community and the wider public as top priority, and in line with the relevant national government and public health authority advice.

The schedule for the 44th SEA AGE 2021 will be announced later. We are hoping that the situation will get better and looking forward to hosting the event next year.

Very truly yours,
